

# "got fish?"

**Tuesday, June 19, 5:00–7:00pm**

**Depot Park, Alden, MI**

Are the days of catching your limit in time for breakfast over? How do we bring great fishing back? Join experts to discuss what can be done to promote the health of the Elk River Chain of Lakes fishery. Topics will include:

## **Fish Shelter Habitats (near-shore and deep water)**

- Heather Seites-Hettinger, Fisheries Management Biologist, MDNR
- Roxanne Merrick, Water Resources Division, MDEQ

## **Relict Trout in Elk Lake**

- Jory Jonas, Fisheries Research Biologist, MDNR

## **Invasive Species**

- Jennifer McKay, Policy Specialist, Tip of the Mitt Watershed Council

**Exhibits and a free wine & hors d'oeuvres reception to follow.**

**Free admission, please reserve at 234-533-8314**

*Cosponsored by: GRNA, Three Lakes Association, Torch Lake Protection Alliance and Friends of Clam Lake in partnership with Antrim Conservation District and Tip of the Mitt.*
