

# Chain-of-Lakes History Comes Alive!

## Tuesday, August 13 – 5:00 pm

### Alden Depot Park

The fascinating history of our Elk River Chain-of-Lakes will come alive as you spend this summer evening enjoying a neighborly chat with Ed McDuffie and Herb Moir.

Ed and his late wife Mary Kay are co-authors of Torch Lake: The History of Was-Wah-Go-Ning. Herb, affectionately known as “The Chainsaw Guy”, brings a lifetime of experience and stories.

Whether it’s about railroad expansion, logging, river diversions and dredging, surveyors and entrepreneurs, or Tar Lake; Ed and Herb will provide the detail and anecdotes so you get to know “the rest of the story.”

A wine and cheese reception will follow the program.

**This event is free and open to the public. Reservations requested. Call 231-533-8314.**

**Co-sponsored by Grass River Natural Area, Three Lakes Association, Torch Lake Protection Alliance, Friends of Clam Lake and Intermediate Lake Association** in partnership with Antrim Conservation District and Tip of the Mitt Watershed Council.
