It is with sincere appreciation that the students and staff at Bellaire Public Schools thank you for your generosity. The educational materials, technology items, and field trip will enhance the education of our students in meaningful ways. The students in our community will learn to appreciate their surroundings, interact with the environment and have the knowledge to protect it in the future. We are proud to say that Three Lakes Association allows students to have additional opportunities to succeed. Thank you for being our partner in education and putting children first.
