

You are invited....

The
Dam Facts
Water Levels
in the Antrim Chain of Lakes

Tuesday, June 17, 2014 at 5:00 pm
Thurston Park, Central Lake

 **FREE admission**, open to the public

 **Wine & hors d'oeuvres** following the program

Antrim County Operator of Dams and County Drain Commissioner, **Mark Stone**, will discuss the cause and effect of water levels in the Antrim Chain of Lakes. He'll provide an inside look at the management of water flow in the watershed, recent high-water events, navigation issues, and the capabilities—and the limits—of the County's dams and court-ordered levels. A question and answer period will follow the presentation.

*Sponsored by Grass River Natural Area,
Three Lakes Association, Torch Lake Protection Alliance,
Friends of Clam Lake and Intermediate Lake Association
In Partnership with Antrim Conservation District, and
Tip of the Mitt Watershed Council*
